Bringing the Church & the Streets Together

D Class has taken the Holy Hip Hop tour to the airwaves. Thank God 4 Hip Hop Radio is Positive Hip Hop, R&B and Urban Gospel.

His talents catapulted the success of "Strictly Hip Hop" on Morgan State University's 88.9 FM (WEAA). Moving on to music production, D Class did remixes for Def Jam (Sisqo). Created jingles for BET (Cita's World). He also worked with

Artists like Jay-Z, Lil Bow Wow, Zane, Monica, Dru Hill and many more. D Class was production guru for the Frank & Wanda Morning Show at Atlanta's People Station V-103.

Thank God 4 Hip Hop Radio will bring the church to the streets and bridge the gap between what's holy and what's hip hop. It will showcase some of the nation's leading hottest artists of the new genre.

Thank God 4 Hip Hop Radio will feature artists interviews by getting the real scoop first. Keeping you in the know with Hip Hop News. D Class and friends will bless you with the Hip Hop Mega-Mixx.
